

Breezway® Louvres are essential to passive design!

Open up your home to wonderful views, natural light and fresh ventilation with Breezway Altair® Louvre Windows.

Breezway® Louvres are tested to international standards for strength and durability. A variety of colours, options and solutions are available to suit most living room interiors.

Automation is also available with the new Appivate™ Control Unit which allows Altair Powerlouvres™ to be operated by a touch sensitive wall switch, remote via a Powerlouvre™ App or can respond to temperature or timers to maintain a comfortable indoor environment for the whole family to enjoy.
